Admit it! It was 'you' that was looking around for Riku!
When your heart was pounding for the first time..
You wanted to think that it was I!

Till when are you going to ignore the truth..?
At that time..
through my eyes.. you saw Riku.
For the first time.. you and I.. saw the same thing.
You don't have to like someone forever.. just because you liked them at first..
Daisuke..

my name..

Because

I was afraid Dark might disappear..

I wanted to call out for Dark..

That moment..
